

Director

ATI Advisory (ATI) is a research and advisory services firm changing how businesses, communities, and public programs serve frail older adults. We provide insight backed by original research, delivering practical solutions for our clients and the families they serve. Our founder, Anne Tumlinson is an influential voice among healthcare leaders working to transform how care is delivered and financed in this country.

ATI Advisory is currently seeking a Director to join our company.

ATI seeks a Director to join our company. This individual will lead client engagements - from conception to presentation; have experience and comfort in managing to project deadlines and managing individual contributors; have strong understanding of subject matter; and interest in growing with the company.

Responsibilities

- Manage multiple clients and lead engagements as primary point of contact with executive-level clients.
- Manage multiple projects including project teams, deliverables, and timelines.
- Build, deepen, and strengthen the value we deliver to clients and our relationships with them.
- Contribute to developing new lines of consulting services and new client relationships.
- Contribute substantially to mission and impact through analysis and content creation.
- Lead primary research and/or quantitative analyses.
- Mentor and support professional development of junior team members.

Requirements

- Strong subject matter expertise in one or more of the following: healthcare policy and regulatory environment; healthcare financing and delivery; Medicare and/or Medicaid; value-based care; Medicare Advantage; long-term services and supports; and aging.
- 6-8 years of relevant work-experience consulting to a wide range of organizations/clients in healthcare and aging.
- Considerable experience conducting and delivering high quality healthcare research, strategic analysis, policy analysis, and/or financial analysis.
- Ability to apply critical thinking and knowledge across broad range of projects and sectors.
- Excellent communication skills (written and verbal) appropriate to different audiences and stakeholders.
